

**The following is a guideline for an obituary. All obituaries are priced with a photo in addition to the text submitted.**

- 1) **Begin** by stating the name, age, residence, date and location of death.
- 2) **Visitation:** day, time and location
- 3) **Funeral:** day, time, location of funeral services, location of burial, name of person officiating services.
- 4) **Biographical** information: Begin with name and stating birth date, place of birth, parents. Include in the information where one grew up, when and where one was married and the life events that occurred until one's death. Also, give information about any current or past membership in any organizations or clubs, any offices one held and any hobbies one had. One can be as brief or detailed as one wish.
- 5) **Family that have Preceded in Death**
- 6) **Living Survivors list.** One may include the spouses of each survivor and their town of residence.
- 7) **Memorials:** One may include charities or organizations in lieu of flowers.

**Kerrville / Kimble Funeral Homes will type your obit in the format that will give an ESTIMATED cost of the obit that will run in the papers of your choice for 1 day. We will scan your photo and together, e-mail the obituary to any newspaper you desire. Newspaper's charges will vary from newspaper to newspaper and estimates, in as close as possible, will be given to you.**
